PUBLIC HEALTH ACT—REQUEST FOR QUARTERLY REPORT.

[Form 177.]

CIRCULAR.

DEPARTMENT OF PUBLIC HEALTH, NEW SOUTH WALES.

Sydney, 27 March, 1908.

GENTLEMEN,

Your attention is invited to the duty laid upon Local Authorities, under the Public Health Act, 1902, to make quarterly report to this Department [See Section 23 and Regulations 19 and 30, printed hereunder.)

The form of report is sent you herewith, and you are requested to cause it to be filled up with the particulars for the quarter ending 31st March, 1908, and returned to me within fifteen days from the last day of the said quarter.

The reports cover action taken under Parts III, V, VI, VII, VIII, and IX of the Act, and are intended to furnish a complete record of the work of Local Authorities in the various areas. They are referred to for information as to the manner in which the provisions of the law are being carried out in any area.

By order,
G. H. KING,
Secretary.

THE LOCAL AUTHORITIES
UNDER THE "PUBLIC HEALTH ACT."

SECTION 23.—Every Local Authority shall quarterly, or at any time at the request of the Board, report in writing to the Board as to matters relating to the public health and the administration of this Act within their district.

Regulations—

19. Every Local Authority shall, within fifteen days from the last day of every quarter of every year, deliver to the Board of Health the quarterly report required to be made under section 23 of the Public Health Act, 1902, and shall cause any such report to be made in the form given in the Schedule J, and to be filled in with the particulars therein indicated, so far as the same can be ascertained by the Local Authority; and every Local Authority shall, at any time, at the request of the Board of Health, supply the Board with such particulars as it may require, in addition to those contained in any such report, and so far as such particulars can be ascertained by the Local Authority.

30. Any person who contravenes any of the provisions or fails to comply with any of the requirements of Regulation 19 . . . . . shall be liable to a penalty not exceeding £20 (twenty pounds); and in any prosecution for a breach of the provisions of Regulation 19, the burden of proving that any particulars cannot be ascertained shall lie upon the Local Authority.

19249

ıder the Public Health Act, 1896, Part III, and the Regulations duly made under the said Act.

ate the reports for each week by writing across the page the words "For the week ending (date)" at the beginning
lisease exist, so that they may advise through their Sanitary Inspector, or themselves take, such steps as may be
occasionally show repeated or unusual prevalences of infectious deseases in particular parts of the district, which
ially unhealthy conditions existing in it. (1944).
